

Student Name: _____ Course: _____ Teacher: _____

AP/PreAP/PreIB Course Commitment

Humble ISD recognizes the value of student participation in advanced academic coursework and encourages students to graduate from high school with at least one advanced academic course credit. Participation in advanced academic courses is a foundation of college readiness and research shows that students who participate are more likely to earn a bachelor's degree in college. The intent of this commitment is to maximize each student's potential for success in AP, PreAP or PreIB courses.

Campus Commitment

The campus commits to advanced academics by communicating the value of advanced coursework, recruiting students with potential for success, encouraging student commitment, and supporting advanced academic instruction.

Student Commitment

The student commits to advanced academics by recognizing the long term benefits of participation and seeking assistance when needed.

As a student enrolled in an AP, PreAP or PreIB course:

- I understand that advanced academic courses may seem challenging at first and initial grades may not reflect later grades in the course.
- In the event that I encounter difficulties with the course content, I will conference with my teacher about my progress and attend recommended tutorials.
- I understand that course changes will be contingent on space availability, extenuating circumstances, the teacher's appraisal of my potential for success in the course, and the timing of the request.
- I understand that I am expected to take the AP exam for each course enrolled and that successful completion of an AP exam can yield college credit.

Parent Commitment

The parent commits to advanced academics by supporting student learning in the advanced academic course. As a parent of a student

enrolled in an AP, PreAP or PreIB course:

- I will encourage my child to be prepared for class each day.
- I understand that advanced academic courses may seem challenging at first and initial grades may not reflect later grades in the course.
- If my child encounters difficulties with the course content, I will expect my child to conference with the teacher and attend recommended tutorials.
- Prior to initiating a petition for my child to exit the course, I will contact the teacher for his/her input.
- I understand that schedule changes will be contingent on space availability, extenuating circumstances, the teacher's appraisal of my child's potential for success in the course, and the timing of the request.

Teacher Commitment

The teacher commits to advanced academics by encouraging student participation and success, planning for student learning, providing rigorous, quality instruction, and offering assistance for struggling students. As a teacher of an AP, PreAP or PreIB course:

- I will teach the course following the curriculum developed by Humble ISD and as authorized by College Board (AP Courses).
- I will provide instruction that prepares students for the next level advanced academic course.
- I will provide quality instruction at an advanced level and give ample opportunities for students to be successful.
- I will assign work that is meaningful and relevant to the required learning goals.
- I will provide appropriate interventions and tutorial opportunities for students who have difficulty with course content.
- I will encourage and communicate to students that they are expected to take the AP exam for each enrolled course.
